complimentary lunch provided 12pm-1pm

**BALL STATE
ALUMNI CENTER**

**2800 W. Bethel Ave.
Muncie, IN 47304**

*Includes panel discussion with
community leaders*

Ryan Leaf, selected as the second overall pick in the 1998 NFL draft after Peyton Manning, had a career full of expectations that he didn't live up to. That failure, coupled with his inability to live life on life's terms, led to drug addiction and landed him in a prison cell – both physically and emotionally. Ryan has since become a symbol of peace and inspiration for those who struggle with substance use and mental illness.
